AT4K
AutismTesting4Kids

Outsource Diagnostics with No Waitlist.

At Autism Testing 4 Kids (AT4K), our mission is to reduce wait times for children seeking an autism diagnosis so those with ASD can begin critical ABA therapy sooner. We partner with ABA providers by offering autism evaluations for children 7 and under and reevaluations for children up to age 12.

Over 1,100 evaluations completed in 2025

Diagnostic evaluations 100% accepted by payors

AT4K'S OUTSOURCE EXPERIENCE

- **National** diagnostics network
- Thorough, high-quality diagnostic reports completed **in less than 30 days** by a clinical psychologist
- Dedicated Partner Portal for **expedited referral processing** and visibility into the patient's diagnostic lifecycle
- **New market penetration** with white labeled diagnostic offerings
- **Operational integration**, seamless communication, and optimized patient experience
- ABA companies can **manage RBT recruiting timelines more efficiently** for children with positive diagnoses, leading to better retention

AT4K'S REPUTABLE EVALUATION PROCESS INCLUDES:

- ASRS
- DP-4
- SRS-2
- Vineland
- M-CHAT
- CARS-2
